# PRO-MARK UTILITY SUPPLY, INC.

PRO-MARK MODEL# PM-301 & PM-302 CABLE & PIPELINE MARKERS

- The **PM-301** is made from high impact fiberglass specially formulated for UV protection. The unique design symmetrical three rib profile will flex on impact and return to its original upright position.
- The **PM-302** is made from specially formulated UV plastic. This lightweight curved-shaped marker is designed for areas with heavy traffic.
- Reflective or non-reflective transfer can also be installed with your custom graphic information on either marker.
- Installation tools are available for easy installation.
